My dear Congressman Ray:

I am enclosing a copy of a letter which I recently sent to the Honorable Sam Rayburn, Speaker of the House of Representatives, and Senator Lyndon Johnson, majority leader of the Senate, regarding certain allegations which Premier Khrushchev made concerning the Central Intelligence Agency.

This matter is so vital and basic to our national security and defense that I feel it should be investigated by the appropriate committees of the Congress.

Sincerely yours,

KENNETH HAHN
Supervisor, Second District
